

Native Plant Dig-a-rama!

Help other volunteers dig up trees and shrubs from this site scheduled for development. In the afternoon, we'll pot up the salvaged plants so they can recuperate before going to new locations along local rivers and streams. Once replanted, these native plants will help reduce erosion, shade streams and provide habitat. Intracorp has generously provided the salvage site.

WHERE: Talus Development in Issaquah, WA

WHEN: Saturday, November 3rd, 2001

TIME: 9:00 AM to 12:30 PM, Potting from 12:30 until 4:00 at Holding Facility

DIRECTIONS TO SALVAGE SITE:

From I-405 or I-5, head east on I-90 and take Exit 15 - 900 West and stay in the right lane. Take a right at the light on 17th Ave. NW. Drive a little over 1.1 miles and turn right into the obvious construction area. Follow signs up the hill to the site. (see map at right)

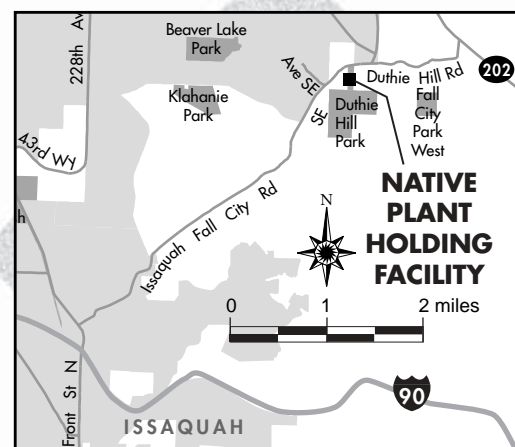

Not a morning person? Volunteers also needed at our Native Plant Holding Facility from 12:30 until 4:00 to help pot up the salvaged plants. See map at lower right for directions.

DIRECTIONS TO PLANT HOLDING FACILITY:

27101 Duthie Hill Rd. From I-5 or I-405, take I-90 east to the Front Street exit in Issaquah. At the end of the exit ramp, turn left. Turn right onto Issaquah-Fall City Road before Home Depot. Just past Endeavor Elementary School, stay left onto Duthie Hill Road. Watch for an event sign pointing to a driveway on the right. There is also a wooden fish by the driveway.

Note: Volunteers under 16 must be accompanied by a parent or guardian.

Please call Greg Rabourn at 206-296-1923
or email greg.rabourn@metrokc.gov
if you plan to participate.
